

## INVITATION FROM THE AGGIE STUDENTS

It is our pleasure to invite you to attend the 35th annual Aggie Workshop at Texas A&M University. The workshop will be held February 12-13, 2010 in College Station, TX. As you may already know, Workshop is an opportunity for students and professionals to interact, as well as for us to gain insight into the field of Landscape Architecture through applied and practical knowledge.

The theme for Workshop 2010 will be *Enrichment* - exploring how Landscape Architects can provide an enriching experience through design work and the natural environment and, in turn, improve the quality of life in communities. In a continuously evolving world, people have placed a monetary value on the landscape; as Landscape Architects, we have the opportunity to demonstrate that the environment is a critical asset and a beneficial resource. The event is intended to explore what landscape architects have accomplished, are accomplishing, and are aspiring towards, revealing innovative ideas and career paths along the way.

It is our sincere hope that you will attend this year's Workshop and share your knowledge and wisdom of the profession with us in this celebration of landscape architecture. I hope you will accept this invitation and we look forward to hearing from you!

If you have any questions please contact Aggie Workshop Chair, Elizabeth Chapman, at [liz.chapman10@gmail.com](mailto:liz.chapman10@gmail.com) or visit our website [www.aggieworkshop.com](http://www.aggieworkshop.com).

Sincerely,

Elizabeth Chapman, Student ASLA  
Aggie Workshop Chair 2010

Grant Jones, Student ASLA  
Aggie Workshop Co-Chair 2010
